Spring Rollers

There when you need them, gone when you don't. Your laminated map can be displayed when it is needed and rolled up and out of the way when it's not. The laminated map stays readily accessible - no more hunting around in storage rooms to find it. A great way to save space...and have the maps you need conveniently displayed! Works and mounts like a window shade. Spring Roller maps come with hanging brackets or you can add them to one of our valances.

Grommets

You can add a set of grommets to any laminated map, allowing you to easily hang your wall map. They are 3/8" size.

Finishing Options

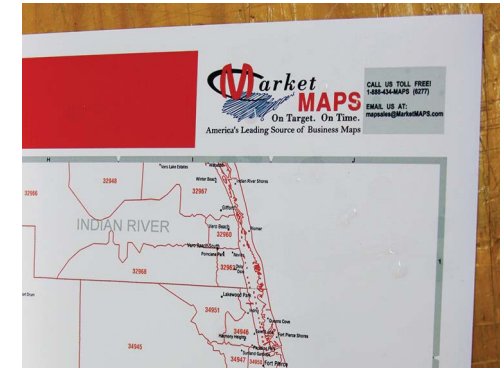

ReStickers

Now all our maps can be printed on Photo-Text, a new self-adhesive fabric that resists water, wrinkles, and rips. They stick securely to any surface (wood, metal, fabric, etc) and in all weather. ReSticker maps are easily removed with no residue and replaced in another location. ReStickers are UV resistant, so they will not fade in sunlight.

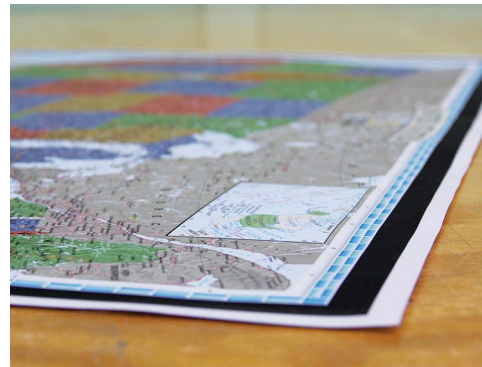

Synthetic Paper Maps

The all-weather, highly durable map. Printed on non-glare, fold-able synthetic material. Tear, spill and water resistant! Synthetic paper maps can be folded for easy filing and storage. They're lightweight, and flexible.

Paper Maps

Maps printed on heavyweight paper, with no lamination. They can wrinkle or tear, which is why our standard maps come laminated for better protection.
